. . . really knows how to entertain people. She has in her employ a diverse staff, but her star performer is a mute who kills people by biting into their throats, leaving deep wounds which close up in less than a week. The other characters in the film are a professor from the Paris Police Academy and his wife, who have been on a spree of brutal murders which have caught the police's attention. They soon discover that the Professor is the real brains of the outfit and the Nurse is only the director and executioner. . . . Here we are back on the ground, one of the longest sentences ever, the narrator's voiceover is a frequent occurrence, the dream sequence is merely an introduction to a further development of the plot and the very limited use of colour has made the film seem even more gloomy and murky than it really is. Plot The film opens in the late 1940s, in a Barcelona where the Doctor, a professor from the Paris Police Academy and his wife, Nadia, are on a weekend of robbery, murder and assorted depravity. They are joined by the Vicomte, a criminal who has been exiled to Barcelona following a petty crime in

France. The Doctor makes Nadia aware of the need to leave while he remains at the hotel, so she and the Vicomte head for the nearest station to catch their train home. Before they leave, they kill two hotel guests, one of whom is a policeman, the other a former gangster. When they discover the policeman's son has been left behind, they decide to return to the hotel and kidnap the young boy, making it appear that he was in the hotel all along, a ploy that infuriates the hotel staff. While they are preparing to leave the hotel in a car which they had previously rented, the staff realise they have forgotten the boy. A brawl ensues. The Doctor is caught in the crossfire and is injured. The Vicomte escapes, whilst Nadia and her husband are held captive. After the Vicomte kills the staff who have captured him, the Doctor leaves Nadia and attempts to flee, only to be captured by the gangsters. The Doctor is tortured for information, revealing Nadia's secret past. He then becomes aware that Nadia is planning to escape with the Vicomte and informs the police, who then set a trap for the pair. He forces them to drive towards the sea and down a cliff, but the car slides off the edge 82157476af
